Dear Christel,

I am writing to you on behalf of Penrith Mountain Rescue Team to thank you for the recent donation of £400.00. We are extremely grateful for the donation; this money will be put to good use to help keep the team operational. We are currently fundraising for a new set of climbing harnesses and this is excellent as an addition to that.

We rely on the public funding to keep us operational so that we can keep people safe while enjoying the fells and lowlands that surround this area.

Regards and best wishes to you from all at Penrith Mountain Rescue Team.

Yours sincerely,

Dr Rick Salter (Secretary)
